Microsoft SharePoint For Dummies

By Ken Withee, Rosemarie Withee

Paperback

ISBN: 9788126528882

Publication: [NOT PROVIDED] *publication_date*

Page Count: 428 pages

₹739.00

• Description

SharePoint For Dummies will be a thorough update to show users how to make the most of all the new SharePoint and Office features while still building on the great and well-reviewed content in the prior editions. The book shows those new to SharePoint or new to SharePoint 2019 how to get a site up and running, branded, populated with content, workflow and managed. This new edition adds the high need-to-know information for administrators, "techsumers", and page admins who want to leverage the cloud-hosted features online either as a standalone product or in conjunction with an existing SharePoint infrastructure.

• About the Author

Ken Withee, Rosemarie Withee

Ken Withee has been a Microsoft SharePoint consultant for many years. He currently writes for Microsoft's TechNet and MSDN sites and is President of Portal Integrators LLC (www.portalint.com)
